

NC10 Netbook

SAMSUNG recommends Windows Vista® Home Premium

Keep in touch and on the go.

Staying connected 24/7. It's what matters to you. That's why Samsung introduced the new NC10 netbook. Weighing a mere 2.9 pounds, it's designed to keep you online and on the go. Experience the freedom to surf the Web, shop and chat on IM with the latest wireless technology. Zip through your online applications with a speedy new Intel® Atom™ processor. Store all your favorite videos, music, images and more with 160GB of storage, and enjoy them on a SuperBright® 10.2-inch LCD. And with up to 8 hours of battery life, the NC10 brings you all kinds of staying power.

The new NC10 Netbook from Samsung. Now, the world is in your hands.

Features:

Ultra mobility

Weighing just 2.9 pounds, the NC10 is one of the lightest netbooks in its class. And it's loaded with the latest technology for maximum performance and minimum weight.

Extended battery life

With a standard 5200mAh high-capacity battery, you can surf the Web for up to 8 hours on a single battery charge.

Intel® Atom™ processor technology

Newly designed from the ground up, the Intel Atom processors pack an astounding 47 million transistors on a single chip, delivering the power and performance you need for full Internet capabilities.

Simple data sharing

With a host of advanced connectivity tools, including a 5-in-1 memory card reader, 3 x USB 2.0 ports, and Bluetooth 2.0+EDR, you can seamlessly move data from your digital camera, camcorder, MP3 player or PDA straight to the netbook.

High-capacity data storage

With its voluminous 160GB hard disk drive, the NC10 lets you store everything you want from the Web.

Nearly full-sized keyboard

A 93 percent full-size keyboard ensures you can easily IM, email and check out all your favorite websites.

Anti-bacteria keyboard

The N-Series uses incredibly small, nano-sized silver ion powder to coat the keyboard, making it virtually impossible for bacteria to live and breed, creating a more hygienic personal computing environment.
